OUR MISSION

Say It With Clay is a non-profit organization. Our mission is to help people with diverse special needs benefit from the therapeutic power of clay.

Revealed through a level of relaxation, this process creates pride, success and motivation for healing.

Say It With Clay utilizes a hands-on therapeutic approach using clay to offer clients effective alternative channels for communication.

WE TAKE PRIDE

Say It With Clay takes pride in offering programming in a culture created to meet the needs of all; through our belief in **inclusion** and **peer to peer encouragement**.
